East

Mississippi

Community

College

The 1991 Lion

Scooba Campus
and

Golden Triangle Campus

Dr. Thomas L. Davis, Jr., President

The President's Message

East Mississippi Community College serves a wide geographic area and a diverse student population. Our service delivery sites include a comprehensive main campus, two military bases, and a number of off-campus sites in schools, businesses, industries, an airport, and a riverboat. The student diversity ranges from the typical recent high school graduate to adults of all ages and educational levels pursuing a variety of educational goals.

EMCC is a true "community" college, with its roots planted firmly in the six-county community it serves and its dedication and commitment to meeting the needs of the people.

The real strength of EMCC is found in its people; the students, alumni, faculty, and staff. Together we meet the challenges of the present while preparing ourselves to face the uncertainty of tomorrow. We shall all cherish the experiences we have shared as part of the EMCC "family".

EMCC Board of Trustees

(First row, L to R) Mr. Gary Chism, Mrs. Linda Jackson, Mrs. Susan Moats, Mr. Dennis Morgan, Dr. Ann Lamb, Mr. Jeffery Jolly, Mr. Ed Mosley, Mr. Ivan Hand — President. (Second row) Mr. Larry Bell, Mr. Billy Dickson, Mr. Charles Newell, and Mr. John Persons.

Dr. L. Conrad Welker
EMCC Interim President
Summer 1990

DEDICATION

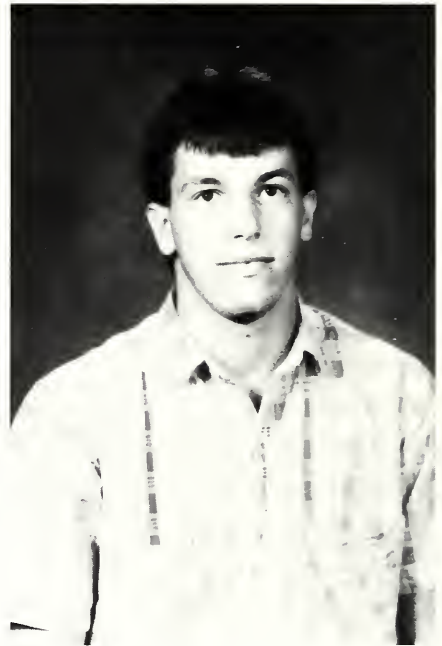

The 1990 — 1991 EMCC Lion is proudly dedicated to an individual who has touched the lives of Drafting and Design students for 19 years. He is also a favorite with his teaching peers for his studied opinions and his love of a good debate. Whether instructing students on lines and angles, surveying the school grounds yet once gain, or demonstrating the marvels of the CAD CAM — he has been a solid force on the EMCC — GTC campus. This man is Mr. Bob Hines.

In Memoriam

Darren Abrams

Jason Moore

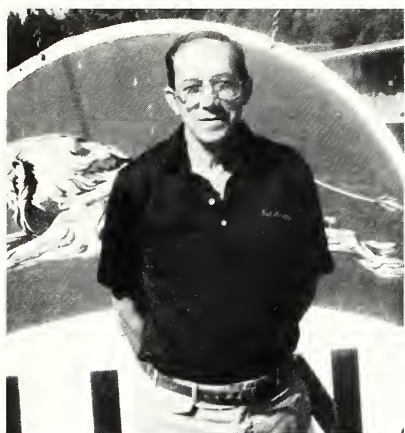

We, the Lion Staff of 1991, dedicate this portion of our annual to the memory of two East Mississippi Community College students — Darren Abrams and Jason Moore. We will long cherish the memory of these fine persons.

Darren Abrams, a kind, friendly Funeral Service student was a credit to our Scooba campus. He will always be remembered for his warm smile and kind words.

Jason Moore, an outgoing, cooperative Electronics Technology student was an asset to our Golden Triangle Vocational-Technical campus. He will always be remembered as a friend to all.

Pine Grove Festival

The first Pine Grove Festival was held in the spring of 1968 as a result of the efforts of EMCC's art and drama teachers. This festival, named for the beautiful grove of pines on our campus, began as a display of art, a drama production, and a program of band and choral music.

As time passed the English Department became involved in Pine Grove and was instrumental in conducting a workshop and literary competition for area high school students. In the spring of 1970, this involvement developed into the publishing of the first *Syzygy*, a collection of students' poems, essays, and art.

The Pine Grove Festival of 1991 featured many varied activities, ranging from entertainment to fine arts. The week began with a cookout under the pines, performance of a classical guitarist, and the presentation of *Syzygy*. The following days featured performances by a ventriloquist and a magician. A Christian unity service was observed by students and area churches featuring guest speakers and religious music. The week ended with a variety show featuring EMCC's own talent. Throughout the week paintings and drawings by local artists were displayed in locations across the campus.

EMCC is proud of our Pine Grove Festival tradition. This week not only allows us to enjoy ourselves but it allows each of us to reflect upon our own creative abilities as well as the creative expressions of others.
